St. Johnsbury, VT. 05819

Dear Band Members,

I want to thank you all for taking the time on Sunday to come play for the 9/11 ceremony. As always the band sounded great and was an excellent addition to the ceremony. From the march you played to the national anthem and of course taps, it all sounded perfect. I must say that the firehouse has pretty good acoustics for the first time a band has played within. Please extend my thanks and appreciation to all band members who played on Sunday, it was great community event.

Respectfully,

Troy D. Ruggles
Fire Chief
